

# Giving Blood saves lives...

1 in 4 of us will need a blood transfusion in our lifetime...  
...but currently only 3% of the eligible population donate blood

**67%** of donated blood is used to treat cancer patients & people with blood disorders

**27%** of donated blood is used in surgery and emergency situations

**6%** of donated blood is used to treat blood loss after childbirth & to help premature babies

**100%** of donated blood is precious and saves lives in Ireland everyday

Think about becoming a blood donor today

See [giveblood.ie](https://giveblood.ie) for local clinic information  
and to check your eligibility. For appointments or  
medical queries call us on **1800 731 137**
